EDUCATOR KIT · THE PATH

Five stages, eleven steps

One clear line from zero to a career you own. Eleven steps, five stages. You never have to guess what's next.

STAGE 01
Start Right
The Beginner · Steps 1–2
Your foundation as an online professional

STAGE 02
Get Hired
The Job Hunter · Steps 3–5
Land your first client, systematically

STAGE 03
Deliver
The Online Professional · Steps 6–8
Impress your client and become reliable

STAGE 04
Level Up
The Specialist · Step 9
Where specialising starts paying

STAGE 05
Own
The Independent · Steps 10–11
The career becomes yours; then it helps someone else's

01 Set up & mindset — Confirm your equipment, internet, and workspace. Decide this is real.

02 Learn the foundation — Core remote-work skills, tools, and professional etiquette.

03 Build your assets — Resume, portfolio, and profiles that get replies.

04 Apply everywhere — Work the directory. Track every application. Follow up.

05 Interview & negotiate — Prep answers, handle rejection, close the offer.

06 Ace your first week — Onboard like a pro. Your first week is your audition.

07 Systemize your work — SOPs, trackers, and communication that make you reliable.

08 Become indispensable — Anticipate needs. Own outcomes, not tasks.

09 Specialize & automate — Go deeper in your niche, automate the repetitive, raise your rate.

10 Go direct & get legit — Own the client relationship, register the work, invoice like a supplier.

11 Give back — Pro bono, teach back, send the ladder down. The ecosystem you feed feeds you.
